OVERVIEW

Application of circular economy principles to livestock production in Vietnam 2

Nguyen Thanh Trung, Le Xuan Tung, Dao Thi Binh An and Duong Thi Oanh

Current status and challenges of dairy goat industry in Vietnam 11

Nguyen Van Thu

Manure management in pig production in Vietnam 17

Tran Thi Bich Ngoc, Tran Viet Phuong, Tran Thi Thanh Thao, Nguyen Thanh Trung, Le Thi Thanh Huyen and Pham Doan Lan

ANIMAL GENERTICS AND BREEDING

Conformation and productivity of "Co xanh Lang Son" ducks 38

Nguyen Van Duy, Vuong Thi Lan Anh, Van Thi Chieu, Le Thi Mai Hoa, Nguyen Thi Thu Phuong, Dao Anh Tien, Nguyen Ngoc Giap and Tran Thanh Van

Productivity of two Phan Rang sheep lines: the first generation 49

Do Chien Thang, Phung Van Quan, Phan Thi Ha, Do Thi Mo and Do Thi Thanh Van

Productivity of two Phan Rang sheep lines: the second generation 58

Do Chien Thang, Phung Van Quan, Phan Thi Ha, Do Thi Mo and Do Thi Thanh Van

Productivity of two Phan Rang sheep lines: the third generation 65

Do Chien Thang, Phung Van Quan, Phan Thi Ha, Do Thi Mo and Do Thi Thanh Van

ANIMAL FEEDS AND NUTRITION

Effectiveness of using fermented total mixed ration (FTMR) from dragon fruit branches on Bach Thao meat goats 72

Nguyen Van Phu, Dinh Thi Quynh Lien, Phan Thi Tuong Vi, Doan Vinh, Pham Ngoc Thao, Le Hoang Bao Vi, Nguyen Thi Thuy and Dau Van Hai

Effectiveness of using fermented total mixed ration from dragon fruit branches on the performance of growing-finishing Lambs 80

Nguyen Van Phu, Dinh Thi Quynh Lien, Phan Thi Tuong Vi, Doan Vinh, Pham Ngoc Thao, Le Hoang Bao Vi, Nguyen Thi Thuy and Dau Van Hai

Determine of level crude protein for Hoa Lan duck 88

Phan Van Sy, Hoang Tuan Thanh, Nguyen Thi Hong Trinh, Bui Thi Phuong, Dinh Thi Quynh Lien and Pham Ngoc Thao

Improving economic benefits by molasses supplementation as energy sources in meat rabbits diets 98

Hien, T. Nguyen and Thu, V. Nguyen

A response of nutrient and metabolized energy intakes and growth performance of crossbred rabbits to feeding strategies and dietary *Pophocarpus scanden* supplementation in *Brachiaria mutica* diets 102

Nguyen Thi Kim Dong and Nguyen Van Thu

ANIMAL PRODUCTION AND TECHNOLOGY

Results of assessment of some reproductive indicators when using Wagyu bovine semen on hybrid HF cattle in Ba Vi and the growth capacity of the herd is born 107

Phan Tung Lam, Dang Thi Duong, Than Minh Hoang, Tran Anh Tuyen, Dau Van Hai, Hoang Thi Ngan and Ngo Dinh Tan

Prevalence of *Eimeria* infection in goats in Ben Tre province and the treatment efficacy of some drugs in treatment 120

Nguyen Thi Kim Quyen, Truong Van Hieu, Nguyen Van Vui and Le Thi Khanh Dung
